Lab Tours/Seminars 2013 Salt Lake OR Show

During the upcoming Outdoor Retailer Show, IDFL will be providing lab tours as well as various seminars throughout each day of the show.

Seminar topics include:

- DWR Testing
- Downproof / Fillproof & Fill Power
- Jacket testing for both down and synthetic fillings

For more details please see the [registration form](#)

To attend, please send completed [registration form](#) to Amphay@idfl.com

IDFL Synthetic Fill Department

IDFL has a new department dedicated to Synthetic Fills. In addition to performing ASTM standard tests on synthetic fill, we will be conducting research to update and improve test methods.

IDFL continues to work towards offering testing for all types of synthetic and natural fills.

For more information contact info@idfl.com

Inspection Services

IDFL is pleased to announce the launch of our new online inspection system.

Users can schedule factory inspections, view current/past reports, and see statistics for each supplier.

For more information about this system and about our Inspections Services, please contact info@idfl.com

IDFB News

- **IDFL Taiwan is now a fully recognized IDFB Laboratory.** They have passed the round-robin testing 2 years in a row.
